The world isn't just our planet,
it's our home.
Here hope speaks the language of love,
Emotions take the form of relationship,
Magic coexists with inspirations,
And strength stands for beauty.

This beautifully strong home
never ceases to amuse us,
And that's why,
it is the muse to our canvas.

Woodgrains

Inspired by the **GIANT REDWOOD FOREST, CALIFORNIA**

The woodgrains range is an ode to one of the greatest forests of the World – Giant Redwood Forest in California. The iconic forest has served as a muse to the woodgrain designs that are featured in the range. The designs bear striking resemblance to naturally occurring classic species such as oak, maple, elm and cherry to more exotics like bamboo, teak and zebrawood.
